

Los Angeles County Office of Education

Standard School Supply List for 2008-2009

The spreadsheet below represents the core items bid under LACOE's Standard School Supply Bid. Core items were determined by usage. If the 120 participating school districts purchased more than 100 units of any product last year, the item was added to the core lists.

If you want an item that is not on any of the core lists below, the full catalogs from Corporate Express and School Specialty are available for your use and are covered by the bid. The bid specifies discounts for items not on the core list. Discounts are as shown below:

You must make your PO's out to the awarded vendor and fax the PO's to (800) 606-6148, unless you are using Corporate Express e-Way or Epsilon e-commerce systems,.

Copy and colored papers were awarded to Kirk Paper, and all their prices are listed on a separate Excel file with Kirk Paper's unique formatting.

Corporate Express Discounts for Non-Core Items in Catalog
